

ANNEX XIX TO CHAPTER 6

EU INDICATIVE LIST OF RELEVANT PRODUCT AND SERVICES MARKETS TO BE ANALYSED ACCORDING TO ARTICLE 116 OF THIS AGREEMENT

Retail level

Access to the public telephone network at a fixed location for residential and non-residential customers.

Wholesale level

1. Call origination on the public telephone network provided at a fixed location.

For the purposes of this list, call origination is taken to include call conveyance, delineated in such a way as to be consistent, in a national context, with the delineated boundaries for the market for call transit and for call termination on the public telephone network provided at a fixed location.

2. Call termination on individual public telephone networks provided at a fixed location.

For the purposes of this list, call termination is taken to include call conveyance, delineated in such a way as to be consistent, in a national context, with the delineated boundaries for the market for call origination and the market for call transit on the public telephone network provided at a fixed location.

3. Wholesale (physical) network infrastructure access (including shared or fully unbundled access) at a fixed location.

4. Wholesale broadband access.

This market comprises non-physical or virtual network access including 'bit-stream' access at a fixed location. This market is situated downstream from the physical access covered by market 3 listed above, in that wholesale broadband access can be constructed using this input combined with other elements.

5. Wholesale terminating segments of leased lines, irrespective of the technology used to provide leased or dedicated capacity.

6. Voice call termination on individual mobile networks.
